

Yogi: Infrastructure devpt increasing investments in UP

Arjumand Bano | TNN

Gorakhpur: Chief Minister Yogi Adityanath said here on Monday that strong infrastructure development is expanding the state's potential for significant investment. Along with Union road, transport and highways minister Nitin Gadkari, Yogi inaugurated/laid foundation stone of 18 projects worth Rs 10,000 crore, which will provide excellent road connectivity in several districts of eastern Uttar Pradesh, including Gorakhpur.

A total of six NHAI projects worth Rs 810 crore were inaugurated whereas foundation stones of another 12 NHAI projects worth Rs 9,200 crore were laid by the union minister and the UP CM at a ceremony held at Mahant Digvijay Nath Smriti Park.
