The authority has also revised the rates of land allotment. (Greater Noida Representative Image)

Snapshot

- The budget for the Jewar airport has been enhanced by Rs 100 crore in order to support the processes for land acquisition under phase-2 and 3 of the airport project.
- New allocation rates for assets have been set for 2023-24 with a 4.42 per cent increase in plot rates for setting up in industrial, IT park and data centre plot rates.

The Greater Noida Industrial Development Authority (GNIDA) has approved a budget of Rs 4,378 crore for the financial year 2023-24, during its board meeting chaired by Manoj Kumar Singh on 21 April 2023.

Singh holds the charge of Uttar Pradesh infrastructure and industrial commissioner and is the chairman of the twin industrial bodies of Noida and Greater Noida.
