

## **Noida Airport to Link with Major Cities in Western UP**

Greater Noida and Bulandshahr may soon be connected by train and road to the proposed Noida International Airport (NIA) at Jewar in Uttar Pradesh.

According to sources, the Yamuna Motorway Industrial Development Authority (YEIDA) has begun construction on the 16 km long, 100 m wide motorway and the 17 km long railway track connecting Chola station in Bulandshahr and the airport site.
