vernment has made attractive sectoral policies to invite investments. In addition to this, there is improved law and order, better road connectivity, air connectivity and an investor-friendly environment.

Inviting investors from the UK to UP, the CS said that UP has immense potential for industrial and business activities. Giving them information about the first ground breaking ceremony which is likely to be held in October this year, the CS invited the guests to attend it. Scott assured him of her presence at the upcoming event.
