

\$1trn economy target: CM Yogi reviews projects

CM Yogi Adityanath convened a high-level meeting in Lucknow on Friday to review the projects undertaken by his government to make UP a \$1 trillion economy in five years. He also held discussions with officials on making the state a hub

of green energy. "Now, it is the time of UP. Taking full advantage of its potential, it will become the most important base for multidimensional development of the country," Yogi said. **P5**
