and Loni. It has been marked in the draft Master Plan 2031, which is in its final stages

- *The need for land for industrial expansion was felt after several memorandums of understanding (MoUs) were signed at the Uttar Pradesh Investors' Summit held earlier in 2023.*

The Ghaziabad Development Authority (GDA) has identified 1,100 hectares of vacant land for industrial expansion in Ghaziabad.

It has been marked in the draft Master Plan 2031, which is in its final stages, according to the authority officials.
