

UP's Township Policy 2023 To Offer Land Use Incentives To Fuel Planned City Development In The State

by [Ankit Saxena](#) - Thursday, July 27, 2023 10:14 AM IST

UP's new move is aimed at planned city development.

In an effort to foster planned urbanisation and attract investments, the Uttar Pradesh government has decided to grant several incentives to developers with the state's New Township Policy 2023.

This policy aims to further offer affordable housing, regulate unplanned expansion in peripheries, and enhance the overall quality of urban life.
