

# Yogi: Agra Metro to be functional by Feb 2024

TIMES NEWS NETWORK

**Agra:** The Agra Metro is set to become functional by February 2024, said Chief Minister Yogi Adityanath while flagging off a high speed trial of the Agra Metro at the Taj East Gate Metro Station on Wednesday.

The CM said that the Team Agra Metro “is executing the project timely and with utmost perfection”. By next year Agra will become the sixth city in Uttar Pradesh to have Metro rail services. It will also make UP the top state in the country for having Metro services in maximum number of cities.

“UP Metro Rail Corporation is putting all efforts into achieving the target of making the Agra Metro functional six months ahead of
