

# Eastern Dedicated Freight Corridor Reaches Milestone: Indian Railways Completes Track Linking On Final Stretch

by [V Bhagya Subhashini](#) - Friday, August 4, 2023 04:03 PM IST

Dedicated Freight Corridor. (DFCCIL)

## Snapshot

- *The dedicated freight corridors' infrastructure capacity increase is critical to achieving Indian Railways' goal of 3,000 MT freight loading by 2030.*

*The DFC once constructed will decongest the Railways' network by moving 70 per cent of goods trains to these two corridors.*

Indian Railways has achieved a major milestone by completing the track linking work on the last leg of the Eastern Dedicated Freight Corridor (EDFC) between Sonnagar and Ludhiana section.

This development will enable seamless connectivity for freight trains, once it is commissioned.

## **An Appeal...**

**Dear Reader,**

As you are no doubt aware, Swarajya is a media product that is directly dependent on support from its readers in the form of subscriptions. We do not have the muscle and backing of a large media conglomerate nor are we playing for the large advertisement sweep-stake.

Our business model is you and your subscription. **And in challenging times like these, we need your support now more than ever.**

We deliver over 10 - 15 high quality articles with expert insights and views. From 7AM in the morning to 10PM late night we operate to ensure you, the reader, get to see what is just right.

Becoming a Patron or a subscriber for as little as Rs 1200/year is the best way you can support our efforts.
