

Film City project will create jobs, change state's perception: Yogi

'Ensure Work On Project Begins Within Six Months'

TIMES NEWS NETWORK

Lucknow: Chairing a high-level meeting on the Film City project at Lok Bhavan on Wednesday, Chief Minister Yogi Adityanath said that the project should get off the ground within six months.

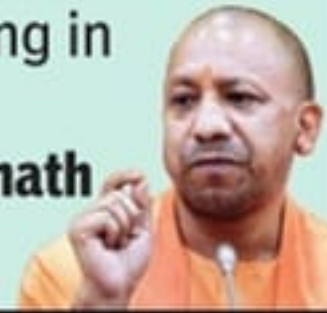

"Film City will play an important role in changing the perception of Uttar Pradesh," the CM said, adding that the development of Film City should be ensured by assessing new challenges and scenarios.

He said that while keeping the size of Film City unchanged, it should be developed in a phased manner.

"With the development of this world-class film city, artists from Uttar Pradesh, as well as other states, would get

a chance to perform. They will be able to fulfill their dreams while staying in the state," he said.

Yogi said that the Film City would attract producers of serials, reality shows and films. He said it would create new employment opportunities in the state's service and tourism sector and hotel industry.
