

Gorakhpur link e-way 79% complete

Lucknow: Commuters looking to complete a round trip between Lucknow and Gorakhpur within a day would be able to do so within four months as UP Expressways Industrial Authority (UPEIDA) has commissioned 79% of work on Gorakhpur link expressway.

The deadline to finish the 93.2-km long link route between Purvanchal Expressway and Gorakhpur has been fixed

CM Yogi has directed the authority to prepare an action plan to boost industrial activity along the link route soon

as December 31 by the government. Chief Minister Yogi Adityanath has also directed the authority to prepare an action plan to boost industrial activity along the link route soon after it is commissioned. Sharing more details, a senior officer from the authority said by Tuesday 79% of progress has been achieved by the construction company. As many as 331 of the 341 structures that need to be constructed on the route are also ready. TNN
