TIMES NEWS NETWORK

Lucknow: Agra emerged as the top performer with six awards, including overall top-three finish in India Smart Cities Awards Contest (ISAC) 2022, the results of which were declared by the Union ministry of housing and urban affairs on Friday. Kanpur, Lucknow and Varanasi also excelled in various categories for meeting the goals set by the Union government under the Smart City Mission.

Uttar Pradesh bagged third position in the state category while Varanasi bagged the top award for being number one Smart City with population above 10 lakh in North India.

The awards were given to the cities that were able to
