

World Bank team hails UP's growth journey in past 6 yrs

State Tops In Ease Of Biz & Living: Yogi

TIMES NEWS NETWORK

Lucknow: A delegation of the World Bank, led by its executive director Parameswara Iyer, met Chief Minister Yogi Adityanath on Wednesday and appreciated the development works carried out by the state government in the last six years.

The 20-member team, which has earlier travelled to Maharashtra and Gujarat, said that in the past six years, considerable work has been done in various sectors, including infrastructure development, industrialisation, garbage disposal, poverty alleviation, planned urbanisation and environment protection.

The team also praised the state government's approach of a sector wise action plan for development. During the meeting with the CM, the delegation held discussions on

Chief Minister Yogi Adityanath with World Bank delegation

'Dispose of revenue matters on priority'

Reviewing the works of revenue department on Wednesday, Chief Minister Yogi Adityanath on Wednesday said that the frequency of tehsildar courts in all tehsils must be increased and matters related to revenue should be disposed of on priority. **P5**

mutual cooperation between the state government and the World Bank, and to prepare an action plan for development works to be carried out in future. "A lot of good work has been done in the country in the last nine years and in UP in the last six years. Pover-

CM: Film City will generate jobs

Chairing a high-level meeting on the Film City project, Chief Minister Yogi Adityanath said that the project should get off the ground within six months. "Film City will play an important role in changing the perception of Uttar Pradesh," the CM said. **P5**

ty alleviation has been the mission of the World Bank but now special emphasis is being laid on environment protection as well. UP can play an important role in this direction," World Bank ED Parameswaran Iyer said.
