

INSPIRED BY VISION, POWERED BY PROGRESS

"India is on its way to becoming a USD 5 trillion economy under the guidance of Hon'ble Prime Minister Narendra Modi and UP will contribute to this by becoming a USD 1 trillion economy in the next four years."
-Yogi Adityanath, Chief Minister

"Today, Uttar Pradesh has become a hope for the world and is driving the country's overall growth. UP has also benefited greatly from the work that has been done to increase social, physical, and digital infrastructures."
-Narendra Modi, Prime Minister

Uttar Pradesh rises for a better tomorrow. For a 'New India'.

Harnessing the momentum of 'double engine' growth, CM Yogi Adityanath is charting into new domains and creating novel opportunities of advancements. UP's trillion-dollar vision is about empowering its people for a better tomorrow. Fuelled by the dreams and aspirations of its residents, the state is embracing progress and welcoming a new era of expansion and development.

Uttar Pradesh is pioneering new benchmarks in its evolution. Standing tall as a beacon of hope, UP is now called

the 'Expressway Capital of India' with the maximum number of airports. UP is recognised as the 'Food Basket of India'. It holds the largest MSME base in the country and turned its ODOP scheme into a revenue plus venture. The state has also introduced 25 sectoral policies for the ease and comfort of investors. Uttar Pradesh is home to many revered cultural and spiritual treasures, because of which UP is known as the 'Kingdom of Gods' and the celebrated 'Land of Festivals'.

After the echoing success of UPGIS 2023, UP has become

the fulcrum of investment and opportunities. With investment proposals of more than Rs 36 lakh crore and employment prospects for more than 1 crore people, CM Yogi Adityanath is working tirelessly to empower the state's youth, who are the juggernauts of change and breakthroughs for Uttar Pradesh.

Each step taken has been a push towards the trillion-dollar vision. Each benchmark set has been a stronger foundation for a new tomorrow. For a 'New Uttar Pradesh for a New India.'

Target \$ 1 Trillion

- NO.1 IN ATTRACTING FUNDS**
With 16.2% share of investment, UP is now the number one state in attracting funds for projects from banks/ financial institutions. UP's share increased from 1.1% in FY 2013-14 to 16.2% in FY 2022-23, a growth of 15 times
- MULTI-DIMENSIONAL PROGRESS**
