**Lucknow/Noida:** Lauding UP for becoming the fastest growing economy in the country, President Droupadi Murmu on Thursday said that the state's resolve to take its economy to USD 1 trillion dollars will play a significant role in India achieving the goal of a USD 5 trillion economy.

She was speaking after inaugurating the first edition of the Uttar Pradesh International Trade Show in Greater Noida in the presence of CM Yogi Adityanath.

"UP has made a special contribution to the economic development of the country over the last over six years. The GDP of UP has increased from Rs 13 lakh crore in 2016-17 to Rs 22 lakh crore. This achievement of economic growth is undoubtedly commendable. In recent years, UP has taken new steps in the field of economic development and investment," she said.
