which 167 have been endorsed by Udyami Mitra and 97 by the district magistrate. Furthermore, 106 entrepreneurs have applied for land allocation and swift progress is being made in facilitating their endeavors.

At a recent review meeting, chief minister Yogi Adityanath was told by offi-

cialists that all the seven districts of Bundelkhand were fully prepared for GBC. "A target of Rs 1.45 lakh crore was set for GBC for Bundelkhand, of which about 70% has been achieved, while efforts are going on war-footing to meet the target of 30% (which is Rs 53,240 crore)," the officials said.

Jhansi was given a target of Rs 65,000 crore for GBC, of which Rs 61,352 (94.4%) has already been achieved. Similarly, Chitrakoot was given a target of Rs 7,000 crore for GBC, of which a Rs 6,517 crore (93.1%) has been achieved. Banda was given a target of Rs 1000 crore for GBC, of which Rs 585 crore (58.5%) has been achieved. Besides, Jalaun was given a target of

Rs 10,000 crore, against which Rs 7,016 crore has been achieved, which is 70.2% of the total target. Hamirpur was given a target of Rs 1000 crore, of which Rs 373 crore (37.3%) has been achieved. Mahoba was given a target of Rs 1000 crore, of which Rs 309 crore has been achieved, which is 30.9 % of the total target. Lalitpur was given a target of Rs 60,000 crore, against which a target of Rs 15,608 crore (26%) has been achieved.

Officials said that the CM has put a three-tier system in place to watch over projects to be launched at GBC. "This meticulous approach ensures that these initiatives are investor-ready and poised for success," officials added.
