

Complete Gkp Link e-way in time-bound manner: CM Yogi

► Continued from P 1

These projects are being completed within the stipulated timelines while upholding the highest standards of quality. To further improve the riding experience on the Bundelkhand Expressway, the ongoing maintenance work should be completed on time, the CM said.

Bundelkhand Expressway is being developed as a solar expressway and necessary action should be expedited in this regard, the CM said.

Similarly, plantation should be done on the northern slope of Purvanchal Expressway and solar energy projects should be developed on the southern slope. With these efforts, this expressway will be presented as a model on the national stage, he added.

Budget has also been provi-

CM Yogi Adityanath addressing a meeting on Friday

sioned for Chitrakoot Link Expressway. According to the preliminary study, the four-lane (expandable to six-lane) Chitrakoot Link Expressway will be approximately 14 km long.

For this, the developer should be selected as soon as possible, the CM directed.

The process of development of industrial clusters on both sides of Purvanchal, Bundelkhand, Ganga, Agra-Lucknow and Gorakhpur Link Ex-

press should be expedited. 11 industrial corridors will be developed along the Ganga Expressway, 6 in Bundelkhand, 5 in Agra-Lucknow, 6 in Purvanchal and 2 along the Gorakhpur Link Expressway. All necessary processes in this regard should be started expeditiously, the CM said.

The land for the Ganga Expressway connecting Meerut to Prayagraj has been acquired and the work on it started in November 2022. The aim is to make this expressway available to the general public by December 2024, so that devotees from across the country and the world can take advantage of the journey on the Ganga Expressway in Prayagraj Kumbh 2025, Yogi said while directing officials to speed up the work on Ganga Expressway by reviewing it with departmental ministers.
