Lucknow: Chief Minister Yogi Adityanath has instructed officials to prepare an action plan for the construction of two link expressways to connect Lucknow-Agra Expressway with Purvanchal Expressway and Ganga Expressway with Farrukhabad.

Chairing a high-level meeting on the expressway projects, the CM said that by linking Agra-Lucknow Expressway and the Purvanchal Expressway, we would be able to connect all expressways with each other. "Prepare and present a detailed action plan regarding this link expressway of approximately 60 km," the CM said.

Besides, considering the public aspiration, there is a need for connecting Farrukhabad district with Ganga Expressway. Conduct a study and prepare necessary proposals in this regard, the CM said.

After dedicating the Purvanchal Expressway and Bundelkhand Expressway to the nation, work is currently underway on the Ganga Expressway, Ballia Link, and Gorakhpur Link Expressway—a feat that has helped Uttar Pradesh earn the moniker 'Expressway Pradesh'.
