

## Indian Oil Corporation Unveils First EV Battery-Swapping Station in Kolkata

HIGHER EFFICIENCY, BETTER PERFORMANCE

X1-HYBRID G4 3-7.5KW X3-HYBRID G4 5-15KW

Infosolaxpower.com/www.solaxpower.com

A banner for Solax solar inverters. It features the text 'HIGHER EFFICIENCY, BETTER PERFORMANCE' at the top. Below this, there are two product models: 'X1-HYBRID G4 3-7.5KW' and 'X3-HYBRID G4 5-15KW'. At the bottom, the website 'Infosolaxpower.com/www.solaxpower.com' is listed. On the right side, there are images of two white solar inverters and the Solax logo, which is a stylized 'X' in yellow and red.
