

Microsoft to partner with Uttar Pradesh Government to setup AI hub

Finalises intent to develop Uttar Pradesh as a AI state

Lucknow/ Davos, 19 January, 2024 :

On Thursday, in a remarkable development at World Economic Forum at Davos, Mr. Ranveer Chandra, Managing Director, Agri Food & CTO, Microsoft Corporation in his talks with Uttar Pradesh Delegation led by **Infrastructure and Industrial Development Commissioner, Mr. Manoj Kumar Singh** discussed broad contours of partnership to invest and develop **Artificial Intelligence (AI)** hub in state.

In a path breaking initiative, **Microsoft** also pledged to deploy **Generational AI** to revise the Package of Practices in **Agriculture integrating farmer innovations** and to support the development of an Open Market for **Carbon and Green Credits**.

Microsoft also proposed to do Capacity building with **Microsoft certification** on **Data management** to optimise and enhance productiveness.
