LUCKNOW: Chief minister Yogi Adityanath said on Monday Uttar Pradesh has emerged as the second largest economy in the country and added that the state was on course to achieving the \$1 trillion economy target.

"Our intentions are clear, goals are well defined, we have the right policies, and their implementation is quite precise," the CM said at a meeting on Monday.

He discussed the ongoing efforts, current outcomes and future policies that are aimed at achieving the ambitious goal of establishing Uttar Pradesh as a one-trillion-dollar economy.

"Due to the planned efforts of the last six and a half years, the U.P.'s economy is in the best condition today. The state's total GDP, which stood at Rs 16.45 lakh crore in 2021-22, has now surged to over Rs 22.58 lakh crore in 2022-23. With a
