**LUCKNOW:** Ayodhya's transformation is all set to start at the ground-breaking ceremony (GBC) 4.0 in which investments of Rs 10,155 crore will be rolled out for the temple town, with the tourism sector being the biggest contributor in this change.

Taking the lead, the tourism sector is bringing in investment of Rs 3129 crore in Ayodhya. The House of Abhinandan Lodha is the biggest investor with an investment of Rs 3000 crore. It is coming up with the first 7-star mixed-use development project aptly named Saryu with an integrated 5-star hotel. A 4000 sq feet plot here will cost Rs 12 crore onwards.
