

'Budget underscores importance of MSMEs'

TIMES NEWS NETWORK

Lucknow: Smita Agarwal, Vice Chairperson, CII UP State Council said the operation of 96 lakh MSME units in the state underscores the significance of this sector in driving economic activity. The inclusion of 22 lakh beneficiaries in MSME schemes demonstrates govt's efforts to support and uplift small and medium enterprises, contributing to economic development and employment generation which is noteworthy. The establishment of dialysis facilities for kidney patients across all districts, allocation of Rs 952 crore for the Health Infra

Focus on balanced growth and devpt

Smita Mishra, assistant professor of economics at Vidyant Hundi College, Lucknow praised the Budget for prioritizing infrastructure, education, health, and inclusivity. The budget also prioritizes essential sectors like primary education, energy and health, which will create a strong foundation for inclusive growth and development, she said.

Mission is a substantial financial commitment directed towards strengthening healthcare infrastructure.
