

# INFOTECH DEPT TO INK DEALS WORTH RS 91,000 CRORE

**LUCKNOW:** The information technology and electronics department is counted among the most successful departments of the state government when it comes to attracting investment. The IT department is all set to roll out MoUs worth Rs 91,000 crore at the GBC to be held on February 19. Prime Minister Modi will launch 60 mega MoUs of the IT department, which are expected to generate 81,424 employment opportunities.

At the Global Investors' Summit in February 2023, the state had received 321 investment proposals totalling over Rs 5,29,472.52 crore in the IT and electronics sector. Out of these, 60 projects worth Rs 91,456.89 crore will be initiated at the groundbreaking ceremony.

According to the state government, one of the major investments in the IT department is Noida Data Center Park, being established by NIDP Developers Private Limited in Gautam Buddh Nagar. The project will involve an investment of Rs 30,000 crore on 20 acres of land of the Greater Noida Industrial Development Authority. Another project, to be situated in Yamuna Expressway Industrial Development Authority area is TARQ Semiconductors Private Limited. This project will focus on manufacturing of integrated compound semiconductors, fabrication, and assembly, with an investment of Rs 28,440 crore.

Sify Infinit Space Limited is slated to establish two projects with a combined investment of Rs 19,000 crore. One project involves creation of a new-age horizontal Data Centre, with an investment of Rs 11,000 crores while second project focuses on developing IT infrastructure within Data Centre sector, with a phased investment of Rs 8,000 crore. Both projects are coming up in Gautam Buddha Nagar. **HTC**
