"If PM Narendra Modi has said that India will be a \$5 trillion economy by 2027, there is no reason why Uttar Pradesh should stay behind. We are progressing towards becoming a \$1 trillion economy. In the past seven years, UP's economy has doubled. Uttar Pradesh's GDP has doubled. Uttar Pradesh's per capita income has doubled. And today, UP is a revenue surplus state and is standing ready to contribute to the India growth story," Adityanath said at the mega event.

## In the form of BIDA Corridor - UP is all poised to give a new industrial city to the country after a gap of 40 years - Yogi Adityanath

Citing that besides agriculture, the MSME sector was promoted by the state government on the lines of a one-district-one product scheme, Adityanath further said that the defence corridor in the state is shining under the same scheme and is touching new heights of achievements. "In the form of BIDA Corridor - UP is all poised to give a new industrial city to the country after a gap of 40 years," he further added.

India's biggest airport will be operational at Jewar this year - he announced.
