Gorakhpur (UP), Feb 4 (PTI) Chief Minister Yogi Adityanath on Sunday said Uttar Pradesh received investment proposals worth Rs 40 lakh crore during the Uttar Pradesh Global Investors Summit held last year which will provide employment to 1.10 crore youths.

Addressing an employment fair at Madan Mohan Malaviya University of Technology (MMMUT), Adityanath called upon technical institutions such as Industrial Training Institutes (ITIs) and polytechnics to understand the demands of the industry and design courses accordingly.

The event was organised by the Uttar Pradesh Skill Development Mission, according to an official statement.

"It is essential to connect the youth with training for their empowerment. There is also a need to include them in the CM Internship Programme, wherein the government and the industry jointly fund their stipends with each contributing 50 per cent of the amount, allowing them to be self-reliant during their education," the chief minister said.

He underlined that the state government's top priority is to ensure jobs for all.

It's a new Uttar Pradesh of a new India, witnessing success in various fields. The Department of Vocational Education is working to develop new courses at par with global standards. he

Youths selected for employment in Israel will receive free meals, accommodation, and a monthly salary of Rs 1.5 lakh after completing their ITI courses, he said.

There is a high demand for skilled nursing professionals in Germany, he said, urging youths to take language training to prepare better.

He said there is also a great demand for skilled youths of Uttar Pradesh in Southeast Asian countries and the Middle East.
