**Lucknow:** The state govt has also organised two conclaves on the sidelines of the of GBC 4.0 which will serve as a platform for networking, knowledge sharing, and forging collaborations contributing to the economic growth and development of the region.

The first conclave, which would be chaired by Chief Minister Yogi Adityanath, is themed on Foreign Direct Investment and Artificial Intelligence.

“It aims at bringing together industry leaders, policymakers, and potential investors to discuss and explore opportunities in promoting foreign investment & artificial intelligence in the state,” officials said.

They added that through this conclave, the state govt en-

visions to create awareness about the various initiatives taken up in Uttar Pradesh to promote foreign investments and unlock the potential in sunrise sectors like artificial intelligence.

The other conclave is themed around corporate social responsibility and the canvas of UP.

“The conclave is designed to cultivate collaboration between key state govt departments and distinguished national and international corporate houses actively engaged in the GBC for corporate social responsibility,” an official said adding, “It will facilitate direct interactions with CSR heads of corporate houses, allowing them to gain insights into the impactful work undertaken by department and consider pledging funds to support the noble causes.”
