crore to the ground, creating huge job opportunities.

“PM Modi will inaugurate Ground Breaking Ceremony on Feb 19 to bring an investment of Rs 10 lakh crore to the ground. New projects will create huge employment opportunities,” the CM said while addressing

the House on Wednesday.

Yogi said that UP had become a business hub and a dream destination for investment. “When the law and order is good, and the government’s intentions are clear, investments are bound to flow into the state,” he remarked. “Investors from the country and the world want to come for investment and the GIS-2023 is the best example of this, with proposals for investment of nearly Rs 40 lakh crore,” the CM added.

“It became possible because UP has strong law and order, ease of doing business, a single-window system, and transparent policies,” he said.
