**LUCKNOW:** The Uttar Pradesh Expressway Industrial Development Authority (UPEIDA) will

showcase the transformational journey of the state in an exhibition to be held on the sidelines of Groundbreaking Ceremony @ IV (GBC@IV) from February 19 to 21 at Indira Gandhi Prat-

ishthan here.

The state government is expected to set the ball rolling for projects worth Rs 10 lakh crore at the grand event.

Prominent features that the UPEIDA will showcase at the exhibition venue set up on an area of 75 square metres are development of expressways and their key technological features, ongoing development projects under the Defence Corridor, and the establishment and operation of EV charging stations.

Notably, the exhibition will serve as a medium to showcase

the progress and future possibilities of the state.

Moreover, visitors will be treated to a visual journey through captivating short films, showcasing the evolving landscapes and groundbreaking developments in expressway networks, defence infrastructure, and sustainable mobility solutions.

Advertisements and short clips will further underscore the achievements and progressive policies of the state government, fostering a deeper appreciation for Uttar Pradesh's transformative journey.
