Significant projects in Jhansi and Chitrakoot, including rail coach manufacturing and fruit processing units, are set to bolster economic activity and employment in the region. (Image: PTI)

Uttar Pradesh's Yogi government is gearing up to host the fourth edition of the Ground Breaking Ceremony (GBC@IV) in Lucknow which is aimed at implementing investment proposals worth Rs 10 lakh crore. The Uttar Pradesh State Industrial Development Authority (UPSIDA) is poised to initiate 15% of the proposals at this ceremony, amounting to Rs 1.5 lakh crore. These projects encompass a wide spectrum of sectors, including integrated townships, malls, private industrial parks, rail coaches, logistics and warehousing, food processing, cement industry, hospitals, biofuel, and manufacturing.

What are these mega projects?

Integrated Township in Chandauli: A Rs 7,000 crore integrated township, covering 333 acres, will be inaugurated by Prime Minister [Narendra Modi](#) during GBC@IV. This project, aligned with various policies, is projected to create 6,000 [jobs](#) in [Uttar Pradesh's](#) Chandauli area.
