**KANPUR:** Chief Minister Yogi Adityanath inaugurated the sprawling ammunition manufacturing complex of the Adani Group, nestled within the Kanpur node of the UP defence corridor, on Monday.

The complex, spreading across 500 acres in Kanpur's Saadh area, is billed by the Adani group as South Asia's largest ammunition and missile facility. It will produce ammunition, artillery shells, and short-range missiles. It began production within 18 months of the land being allocated.
