

Projects worth ₹5K crore in Saharanpur division set to generate over 10,000 jobs

TIMES NEWS NETWORK

Lucknow: The Saharanpur division of Uttar Pradesh is set undergo transformation with the launch of 14 significant projects worth Rs 50 crore each, an official spokesperson said on Monday.

"Spanning across Muzaffarnagar, Shamli, and Saharanpur districts, these projects worth Rs 5,435 crore are poised to create over 10,000 job opportunities," the spokesperson said, adding that "the projects encompass diverse sectors such as ethanol production, solid waste management, power transmission, private industrial ventures, wooden handicrafts, hospitality, distilleries, and rebar manufacturing."

A closer look at the pro-

jects revealed that maximum investment was made in the Muzaffarnagar district. The district saw five projects having a value of Rs 2,811 crore and will create 1420 jobs. The list of projects also includes GC India Solutions Private Limited which is spearheading investment in Solid Waste Management with a whopping Rs 1,480 crore and is expected to generate around 500 jobs.

Reshu Advertising Private Limited is investing Rs 600 crore in manufacturing Diwali puja boxes, leading to 150 employment opportunities. Saptam Decor Private Limited is investing Rs 301 crore in wood-based product manufacturing, aiming to create 300 employment opportunities. Swaroop Steel

Industry Private Limited has committed Rs 270 crore for TMT sariya manufacturing, anticipating 325 employment opportunities.

Additionally, Alcobulls Ltd. has invested Rs 160 crore in constructing a distillery,

paving the way for 145 employment opportunities.

The list also showed that maximum employment was generated in Saharanpur where four projects valuing Rs 1,314 crore are expected to create 7,249 employment opportunities in this district.

The list includes Saharanpur Handicraft Develop-

ment Centre, which is investing Rs 604 crore in the export of wooden handicrafts, projected to generate 2,000 employment opportunities.

Likewise, Pulatsya Industrial Park Limited is investing Rs 500 crore in establishing a private industrial park, aiming to create 5,000 employment opportunities.

The list also includes Cosmos Infra Engineering India Private Limited which is investing over Rs 600 crore for commercial plot development that promises to create 150 jobs.

Furthermore, Synergy Teltech Private Limited is investing Rs 80 crore to establish a CBG plant, expected to create approximately 100 job opportunities.
