Sundream Group, a leading real estate company based out of Noida, has announced its business and investment plan of Rs 250 cr in FY 24-25 for its commercial project - Anthurium Business Park. The company has already invested Rs 250 cr in its first phase of the project. The newly announced investment is over and above the first phase investment and the construction for the second phase has begun.

Harsh Gupta, CEO of Sundream Group, expressed, "At Sundream, our commitment to redefining the real estate landscape in Noida remains unwavering. This significant investment underscores our dedication to delivering exceptional projects. The construction of phase two marks another milestone in curating iconic projects in Noida. As we look forward, our vision for further expansion reflects our steadfast commitment to shaping the future of Noida's real estate landscape."

In Sec-73 Noida, Anthurium Business Park offers luxurious and world-class infrastructure for office spaces. Equipped with state-of-the-art AI-ready technology, it caters to the needs of the next-generation workforce. Besides the project has high-end retail space, a perfect solution for work-leisure balance.

Spanning across a total plot area of 20,002 sq.mt. and a construction area of 10,52,000 sq.ft., the project boasts retail and office space in two towers. Sundream Group's commitment to excellence is reflected in the project's total cost of Rs. 522 cr.
