Uttar Pradesh Health

Changing the face of Health Infrastructure April 2024

UP – State with Robust and Resilient Economy

The economic momentum of UP is well-poised to continue on a higher trajectory

\$301 Bn¹ ~5% 56% **Economy size in 2022-23 Demographic Dividend Share in Exports** ~8% of India's GDP; 3rd 5th largest exporter Working population (18-60 years) largest economy Wholesome Infrastructure 2nd largest network of roads (> 400,000 kms) Largest railway network (> 16,000 kms) Highest number of international airports (4 Operational @ Lucknow, Varanasi, Kushinagar, Ayodhya and 1 Under **Construction @** Noida) 1st to have multi modal waterways terminal on river ganga (5 freight villages planned) Eastern Dedicated Freight Corridor (~57%) & Western Dedicated Freight Corridor (~10%)

Large Consumer Base

~17% of India's population

~3.8x

Increase in Capital Outlay

FY18 to FY23

Key Enablers

- 1st Rank: Good Governance Index 2021
- 2nd Rank: Export Preparedness Index* 2021
- Achiever State: Doing Business ranking across Indian states
- Achiever State: Logistics ranking across Indian states 2023

Investor Facilitation Systems

- Nivesh Sarathi: Dedicated onestop portal managing each stage of investor lifecycle (from intent to investment grounding)
- Nivesh Mitra: Single window investor facilitation to provide NOCs/Clearances/Licenses
- Online Incentive Management System (OIMS): For processing, sanctioning and disbursement of incentives,

^{*}Among landlocked states

Healthcare

UP has carved out a niche in the export of health-care services. The state has the largest consumer base in India.

Sector Overview

38.2% Growth in Export (FY16-FY19)

17% share of national sales in terms of value

9 existingPharma clusters
and 1 Biotech
park

22Medical Devices manufacturing Units

usp 100 Mn+ market worth in healthcare and medical device exports

Advantage UP

- R&D Base Of 18 World-Class Pharma Research Institutes viz.
 CSIR(Lucknow); NIB-Noida, IITR-Lucknow; King Gorge Medical University-Lucknow; NBRI etc.
- 3-tier public healthcare infrastructure & Private healthcare services
- 208 Medical, Bio-Technology & Pharmacy colleges helping the State in developing a large pool of human resource
- Rapidly Growing 'Jan aushadhi Pariyojana Centres' 1 lakh pharmacists and 86,000+ Retail pharmacies
- **Strategic location** as it shares borders with several states, offering easy access to a wider market. Additionally, it is well-connected to major cities like Delhi, Mumbai, and Kolkata, enabling efficient transportation and distribution of healthcare products

Infrastructure and services as an enabler of healthcare delivery

- Healthcare Facilities: State has strong presence of a combined total of more than 30,000 Sub Centers (SCs), Primary Health Centers (PHCs), Community Health Centers (CHCs), and sub-district hospitals
- Rural Health Services: UP has implemented various initiatives to strengthen rural health services, including the deployment of doctors and healthcare professionals in rural areas
- Maternal and Child Health: Programs such as Janani Suraksha Yojana and Mission Indradhanush have been implemented to ensure safe deliveries, immunization, and better healthcare for mothers and children
- **Telemedicine and E-Health**: Telemedicine services have been introduced, enabling patients in remote areas to consult doctors remotely. E-health initiatives, including electronic health records and online appointment systems, have been implemented to streamline healthcare delivery

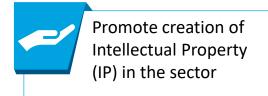

Support from Government: Key Policy Objectives

Uttar Pradesh Pharmaceutical and Medical Devices Policy, 2023

Ħ

Encourage cutting-edge pharmaceutical research, build world-class infrastructure and attract world's best talent

Encourage the human resource development for readily employable manpower to pharmaceutical sectors

Policy Highlights

- Interest Subsidy @5% p.a. for 5 years on loan taken for procurement of P&M, for building infra self-use upto Rs 1 cr p.a per unit; @50% p.a. for 5 years for research quality improvement upto Rs 2 Cr per unit
- ₹ Stamp duty exemption @100%
- Interest subsidy for loan to set up waste management setup @50% annual for 5 years upto Rs 10 lakh
- Interest Subsidy for setting up common boiler @35% (for solid fuel), @50% (for clean fuel) of fixed installment cost upto Rs 2 Cr
- Patent Filing Subsidy@ 100% of actual filing costs on domestic patents; @50% of actual filing costs on international patents
- Support for setting up **R&D institutes** @60% of annual interest on loan taken reimbursement
- Support for Clinical Trials @ 75% of total expenditure reimbursement
 - For Contract/sponsored research @50% subsidy on eligible project cost to institutes situated in UP
- **Electricity duty exemption** @100% exemption for 10 years to all new units
- Quality Certification Subsidy @75% of cost incurred for ISO certification and 50% of cost incurred for BIS certification

FDI, Fortune Global 500 & Fortune India 500 Companies Investment Promotion Policy, 2023

Eligibility Criteria:

- ✓ Projects with Foreign Direct Investment (FDI) Capital Investment of above ₹100 crores.
- ✓ Projects with Capital Investment of more than ₹100 crores by companies included in the list of Fortune Global-500 and Fortune India-500, subject to Negative list.

UP FDI and Fortune 500 Policy 2023 – Fiscal Incentives

Major benefits

Capital subsidy

- 25% of *ECI (excluding land cost) in Gautam Buddha Nagar and Ghaziabad regions
- 30% of ECI (excluding land cost) in Paschimanchal and Madhyanchal regions
- 35% of ECI (excluding land cost) in Bundelkhand and Purvanchal regions

Capital Subsidy will be provided in 7 equal annual instalments with annual capping of INR 100 crores

SGST reimbursement/ refund

- Option A Net SGST reimbursement on sales:
 - 100% of net SGST paid for 10 years
 - Annual capping: Upto 10% of ECI, Overall capping: Upto 100% of ECI (excluding land cost and capital subsidy)
- Option B Input SGST refund on capital goods: 100% SGST refund in 5 annual instalment (Applicable only in case of inverted duty structure)

Note: Option to choose any one out of A and B is available

Land subsidy

- Upto 75% in Paschimanchal and Madhyanchal region
- Upto 80% in Bundelkhand and Purvanchal region

Other fiscal benefits

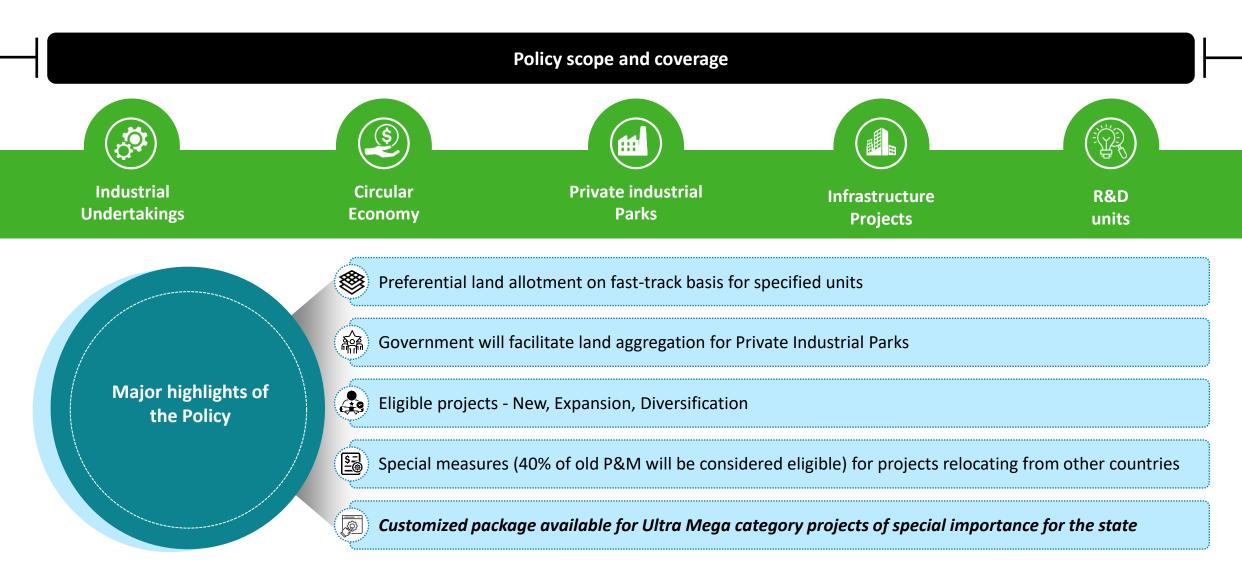

- Stamp Duty & Registration Fees: 50% - 100% exemption/ reimbursement
- Electricity Duty: 100% exemption from for 5 years
- **Skill development subsidy**: Upto INR 5,000 p.m. per person for 5 years (max. 500 persons)

- Green Industry Incentives: 50% capital subsidy on the cost of Effluent Treatment Plant capped at INR 2.5 crores
- Industrial Housing Incentives:
 Reimbursement upto 10% of the cost of development of workers' housing or dormitory for 7 years overall capped at INR 10 crores
- R&D incentives: Reimbursement upto 25% of the cost of standalone R&D centre capped at INR 10 crores (with minimum capital investment of INR 20 crores)
- Centers of Excellence (CoE): Grant upto 50% of the project cost capped at INR 10 crores per project Note: Option to choose any one out of above is available
- Logistics Subsidy: Reimbursement upto 50% of the transportation cost on import capped at INR 12 crores per unit (in case of shifting of existing plant from international or domestic locations to UP)
- Patent cost: Reimbursement upto 75% of the cost capped at INR 10 lakh (for domestic) and INR 20 lakh (for international)

UP – Policy Framework and Incentives under Industrial Investment & Employment Promotion Policy 2022

UP IIEPP 2022 – Scope and highlights

Note - Option to avail sector wise policy is also available

UP IIEPP 2022 – Project categories

Eligible units and investment criteria **Eligible capital investment (ECI)*** Type of unit (C) Eligible Investment Period Large scale industrial unit Above INR 50 Cr but below INR 200 Cr Earlier of commencement of commercial production or 4 years Mega scale industrial unit INR 200 Cr or above but below INR 500 Cr Earlier of commencement of commercial production or 5 years INR 500 Cr or above but below INR 3000 Cr Super Mega scale industrial unit Earlier of commencement of commercial production or 7 years Ultra Mega scale industrial unit INR 3,000 Cr or above Earlier of commencement of commercial production or 9 years

Key Investment Opportunities

Unlocking significant investment opportunities in the rapidly growing Health Sector

Opportunity 1: Development of OPPRI

Development of Organization for Pr	romotion of Pharmaceutical Research and Innovation in Lucknow (OPPRI)
About the Project	 A dedicated organization – "Promote Pharma" for engaging private sector in Pharmaceutical Research and Innovation has been established in Uttar Pradesh in the capital city of Lucknow The provision of basic amenities to investors will be funded by a budget of INR 500 crore
Connectivity	 Nearest airport is Lucknow International Airport, which is within 10 km from the institute. The city of Lucknow is well connected through road with Delhi using the Agra Expressway and Yamuna Expressway. It is also connected to Other regions in the state through the Purvanchal expressway and Bundelkhand expressway.
Infrastructure and Land availability	20 acres
Target Segment	National and Global Pharmaceutical Research Companies, Biopharma Companies, Startups in the Medical and Life sciences sector
Value proposition for the Investor	Start ups and Companies from Pharma, Biotechnology and MedTech sectors may use this platform to enhance R & D in the sector, Promote new Innovations, Develop patents having commercial value and overall achieve a faster time-to-market with new products development.

Opportunity 2: Development of Private Hospitals on PPP Mode

Private hospitals establishment in	PPP mode
About the Project	 The project focuses on securing private investment for the advancement of healthcare facilities within the state of Uttar Pradesh, specifically targeting 18 identified districts. The development will be carried out under PPP framework, aiming to improve access to quality healthcare services for the residents of these regions.
Connectivity	 Road Connectivity: Uttar Pradesh has an extensive road network that connects its cities and towns. The National Highways (NH) and State Highways (SH) play a crucial role in linking major cities. Some key roadways include the Yamuna Expressway, Agra-Lucknow Expressway, and the National Highway 44 (NH44) that connects major cities like Agra, Kanpur, and Lucknow. Rail Connectivity: The Indian Railways network is highly developed in Uttar Pradesh, making it one of the best-connected states by rail in India. Major cities like Lucknow, Varanasi, Kanpur, and Allahabad have prominent railway stations that are well-connected to various parts of the country. Air Connectivity: Uttar Pradesh has 16 Domestic airports (9 operational & 7 under-construction) and 5 International airports (4 operational & 1 under-construction) that enhance air connectivity between cities.
Target Segment	National and Global Chain of Hospitals, Renowned Doctors/existing hospital chains, Startups in the Medical and Life sciences sector
Value proposition for the Investor	The government stresses on mutual benefits which includes offering financial incentives, streamlining regulations, facilitating access to land and infrastructure, ensuring policy support, promoting collaboration and committing to a long-term partnership. The goal is to attract private investment and expertise improving the healthcare ecosystem in Uttar Pradesh.

Opportunity 2: Development of Private Hospitals on PPP Mode

Under scheme for support to attract Private Investment in the development of hospitals in the state of Uttar Pradesh, government has

identified 18 Districts Saharanpur Meerut Moradabad Ghaziabad **Bareilly** Shahjahanpur **Gautam Buddh Nagar** (Noida & Gr Noida) Lucknow Faizabad (Ayodhya) Aligarh -Gorakhpur Mathura Agra **Firozabad** Varanasi Kanpur **Jhansi** Prayagraj

Opportunity 2: Development of Private Hospitals on PPP Mode

Incentives for Private sector for Investment in the Healthcare Infrastructure and Services on PPP Model

S. No. Parameter		Model 1: Leveraging Viability Gap Funding by Government of India	Model 2: State Government funded incentives		
		Mode A	Mode B	Mode C	Mode D
1	Capital Grant	Up to 80% of the total project cost as per VGF Scheme.(of which amount equivalent to 40% of the expenditure may be availed under the VGF Scheme)	40% of the total project cost	-	-
2	Operational Grant*	Up to 50% of the operational expenditure for the first 5 years (of which amount equivalent to 25% of the expenditure may be availed under the VGF Scheme)	Annual Operational Grant payable from Commercial Operation Date for each operational year during the Concession Period (Annual Operational Grant shall be escalated every year from 1st anniversary of COD at the rate of variation in CPI (IW) published by Ministry of Labour, GoI	Annual Operational Grant payable from Commercial Operation Date for each operational year during the Concession Period (Annual Operational Grant shall be escalated every year from 1st anniversary of COD at the rate of variation in CPI (IW) published by Ministry of Labour, Gol	Annual Operational Grant payable from Commercial Operation Date for each operational year till the expiry of 10th year from Commercial Operation Date during the Concession Period (Annual Operational Grant shall be escalated every year from 1st anniversary of COD at the rate of variation in CPI (IW) published by Ministry of Labour, Gol
3	Interest subsidy	Interest subsidy of 5% out of the Interest Rate (IR) on the capital cost for construction, funded from scheduled bank for an interest subsidy period of 5 (five) years, subject to maximum ceiling of Rs 1 (one) Crore per annum per hospital	Interest subsidy of 5% out of the Interest Rate (IR) on the capital cost for construction, funded from scheduled bank for an interest subsidy period of 5 (five) years, subject to maximum ceiling of Rs 1 (one) Crore per annum per hospital	Interest subsidy of 5% out of the Interest Rate (IR) on the capital cost for construction, funded from scheduled bank for an interest subsidy period of 5 (five) years, subject to maximum ceiling of Rs 1 (one) Crore per annum per hospital	Interest subsidy of 5% out of the Interest Rate (IR) on the capital cost for construction, funded from scheduled bank for an interest subsidy period of 5 (five) years, subject to maximum ceiling of Rs 2 (two) Crore per annum per 200 bedded hospital
4	Exemption on stamp duty	Rates as notified for Industries covered under UP Industrial Policy	Rates as notified for Industries covered under UP Industrial Policy	Rates as notified for Industries covered under UP Industrial Policy	Rates as notified for Industries covered under UP Industrial Policy
5	Other incentives	As per the extant policies by respective department	As per the extant policies by respective department	As per the extant policies by respective department	As per the extant policies by respective department
6	Land	Nominal rate of Re 1/- for lease	Nominal rate of Re 1/- for lease	-	-

^{1.} Mode A; Mode B and Mode C are applicable to all areas across the state except areas to which Mode D is applicable (Municipal Corporation areas of 17 districts, Noida and Greater Noida)

^{2. *}This incentive shall be paid over and above the reimbursement for healthcare services by the Government

Opportunity 3: Addressing the Need - Enhancing Cancer Care Services in Uttar Pradesh

Burden of Cancer in Uttar Pradesh

~ 2.45 Lakh Cancer Cases every year

1.6 % Annual Increase

Future Annual increase up to 3.2 %

Status of Preventive Care and Treatment System in place

- Less than 1 % eligible population screened for cancer in UP
- One Cancer Facility per 61 Lakh Population
- 1 Radiation Unit per 20 lakh population
- Only Few Medical Colleges and District Hospitals provide Tertiary Cancer case services

Why Cancer emerges as a big challenge?

- More than 70 % Cases are identified Late
- High Mortality Rate
- Cost of Care increases 3 times in cases with delayed diagnosis

Cost of Cancer Treatment

- In Private Sector Average 4-5 lacs per case
- Less than 5 % population is able to afford cancer treatment
- Only 27 % of annual cases identified are able to get treatment
- Insufficient public Hospital system for cancer, Only 12 % cases are getting treatment in Govt Hospitals

Opportunity 3: Addressing the Need - Enhancing Cancer Care Services in Uttar Pradesh

Govt Cancer Treatment Centres in UP

- Kalyan Singh Super Specialty Cancer Institute, Lucknow
- SGPGI, Lucknow
- National Institute of Cancer Prevention, Noida
- J K Cancer Institute, Kanpur
- IMS BHU, Varanasi
- Cancer Units in 12 District Medical colleges
- Average Travel to seek Cancer Treatment in UP 200 kms
- ~4 -10 hours

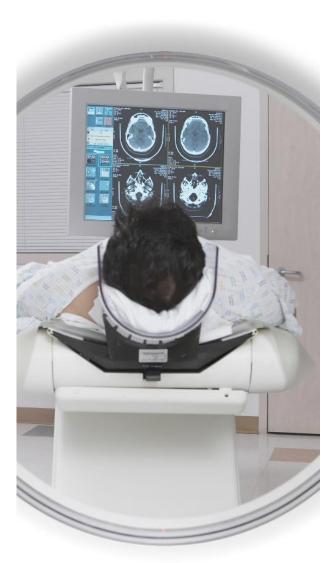

What is Needed?

- Holistic System from Primary level to Tertiary Care Level
- 35 % Increase needed in Oncology Beds in UP In current scenario

Private Cancer Treatment in UP

- Lucknow Cancer Institute, Lucknow
- Medanta Lucknow
- Apollo Hospital
- Globe Hospital, Lucknow
- Sahara Hospital
- Other Oncologist run Cancer Centres

Opportunity 4: Establishing C.T. Scan Facilities under PPP mode in the District Hospitals

Outsourcing Program by Department of Medical Health & Family Welfare, GoUP

Objective

 To ensure greater access of the people to quality investigation facilities at affordable cost with a safety net for patients indigent in nature. Also, to ensure better diagnostic facilities in government hospitals and to reduce patient's dependence on private facilities

About the Project

• Earlier, no high-end diagnostics were present in the government hospitals. To improve this, the Government is reaching out to private vendors to install CT Scan facilities in hospitals:

- The department will be providing cases to the vendor wherever such facilities are required
- The private partner will be responsible for maintenance and security for the space provided to them for C.T. Scan services.
- The private partner, at its own cost, would install C.T. Scan machines, furniture and all related and necessary equipment for operationalization of the services. The cost incurred by the private vendor will be reimbursed (case to case basis) by the Department
- The facility would be installed under a tender process

Opportunity 5: Development of Bulk Drug Pharma Park at Lalitpur

	Tender Details
Tender ID	2024_SIDC_916253_1
Name of the Project	Developers for Development of Bulk Drug Pharma Park in district Lalitpur in Uttar Pradesh on PPP mode on 1,172 Acres
Schedule of Bidding process	 Pre-bid meeting - 2nd April 2024, 11AM Last date for Bid submission – 22nd April 2024 upto 4PM Opening date of EOI – 23rd April 2024 at 4PM

- Government is planning for setting up of a bulk drug pharma park on around 1172 acres in District Lalitpur on PPP mode.
- The proposed bulk drug pharma park shall provide easy access to world class Common Infrastructure Facilities to pharma and bulk drug units.
- It would significantly serve as a State manufacturing powerhouse for pharmaceutical products like bulk drugs, Key Starting Materials (KSM), Active Pharmaceutical Ingredients (API) etc.
