

Bhadohi mart to be upgraded in 3 months

TIMES NEWS NETWORK

Lucknow: The Bhadohi Mart is being upgraded at a cost of Rs 53.3 lakh and will be ready over the next three months. The work, being carried out by the Bhadohi Industrial Development Authority, will include equipping the mart with state of the art fire-fighting, alarm systems and public address systems.

The Bhadohi Mart has been developed to showcase the district's rich carpet industry. The district has over 1 lakh looms, more than 500 export units and an active workforce of 63,000.

The Bhadohi Industrial Development Authority has an area of 314 sq km under its jurisdiction, which includes Bhadohi town, in which 328 revenue villages have been included. These regions are being developed through various projects encompassing industrial, residential, commercial, warehousing-centric, and infrastructure facilities.
