

Prayagraj, Kanpur, Unnao to be placed on devpt track

TIMES NEWS NETWORK

Lucknow: Development activity in five key cities of UP will pick up pace in a fortnight. The housing department has finalised master plans prepared by five development authorities responsible for urban planning in Ghaziabad, Kanpur, Prayagraj, Muzaffarnagar and Unnao.

The compiled master plans submitted by boards of the five development authorities would be put up before the state govt and housing minister Yogi Adityanath for final approval.

The master plans, which would drive expansion, land usage and strengthen the growth nodes and commercial business districts, have been integrated with geographic information system as mandated by the Union govt.

In Unnao, villages under the jurisdiction of Uttar Pradesh State Industrial Development Authority have been excluded from the master plan.
