Lucknow: The masterplan for the Bundelkhand Industrial Development Authority will be prepared by Singapore-based Surbana Jurong and CBRI, headquartered in Texas, US. The two internationally renowned companies have been given 11 months to complete the project.

BIDA chairperson Manoj Kumar Singh said the two organisations come with a vast background in having prepared plans for similar projects across the world.

For instance, Surbana Jurong has prepared the masterplan for Singapore, Suzhou Industrial Park, China, and Amravati, Kagali and G-4 cities. CBRI, a consultancy firm, has worked on the Hi Tech Space City in Malaysia and Shendra-Bidkin Mega Industrial Park in Maharashtra.
