

IT sector biggies Genpact and Sify Tech set to make base in Lucknow

Lucknow: The IT sector landscape of Lucknow city is poised to include new players soon as American giant Genpact and Fortune India 500 company Sify Technologies are keenly pursuing their projects with the state IT and ITeS department, reports **Shailvee Sharda**.

This is in addition to the commitment made by STT

Global Data Centres India which signed a memorandum of understanding with the Uttar Pradesh govt during the Global Investors Summit in Feb 2023. It plans to set up a regional data centre in Lucknow to expand in UP.

“The biggies would join the league of Tata Consultan-

cy Services and HCL. Their intent is clear. We are exploring proposals in detail,” principal secretary, IT and electronics, Anil Sagar said, adding UP’s industrial development and IT policy were among the best in the country.
