

UP cabinet nod to special region Act to woo investors

Lucknow: The UP cabinet approved the promulgation of the special investment region Act here on Tuesday. Officials said that the aim was to transform the state into a one trillion-dollar economy,

"To be known as nodal investment region for manufacturing Act (NIRMAN), the Act aims to attract major investors from both within India and around the world to invest in Uttar Pradesh," an official spokesperson said, adding that the govt's move is likely to promote 'ease of doing business,' boost economic development and create new employment opportunities for the public.
