

# UPSDM driving socio-economic growth in Uttar Pradesh

Skilling the youth in vocational and employable traits to enable and empower them sustainable livelihood and contribute their might to steer the state to cherished destinations of social and economic elysium defines the spirit and scale of the endeavours of the Uttar Pradesh skill development mission. The raison d'être for the establishment of the UPSDM was indoctrinated to an extent to ensure harmony and convergence of all the estranged and isolated approaches for skilling the youth of various departments and agencies mastered by their own individualistic and quarantine approaches, which in a manner was a step first by its own accord towards improvising an institutional framework to bring all skilling initiatives on a common platform under unified cross cutting norms and procedures. It is no gainsaying that the best practices in the realm of Skill Development in the State of Uttar Pradesh are its stand out enterprise in re-formatting the skill development programmes into a mission mode approach under the aegis of the U.P. State Skill Development Mission.

Since its Establishment in 2013, the UPSDM has trained a significant proportion of Uttar Pradesh's residents under India's largest Skill Certification Scheme, The Pradhan Mantri Kaushal Vikas Yojana (PMKVY), launched by PM Modi on World Youth Skills Day in 2015 and monitored by the UPSDM along with the Deen Dayal Upadhyaya Grameen

Kaushalya Yojana (DDU- GKY). Moreover, the UPSDM's engagement has been pivotal in ensuring the success of the results-driven initiative of the Ministry of Skill Development & Entrepreneurship (MSDE) - Skills Acquisition and Knowledge Awareness for Livelihood (SANKALP) scheme. By implementing a range of

schemes funded by various ministries for enhancing the employability of the State's youth, especially in the age group of 14-35 years, including the Government of India's two flagship schemes, the UPSDM has emerged as a force to reckon with in accelerating Uttar Pradesh's socio-

economic development.

The portal of the UPSDM has ensures that candidates can log in to it to download their training completion certificates but also upload their placement certificates and appointment letters - Vindicating the objectives of the UPSDM in delivering results through its various skill development programmes and encouraging more youth to take part in the same.

From enhancing the efficiency of the skilling programs to ensuring their benefit reach to those who are at the hinterlands as live in villages and the far-flung corners of every part of Uttar Pradesh, spanning every societal section, the UPSDM has been catering to the demand for competent, knowledgeable and skilled human resources across sectors while helping Uttar Pradesh advance on its socio-economic growth trajectory.
