

# Gomti Riverfront set for revamp, new infra

TIMES NEWS NETWORK

**Lucknow:** Lucknow Development Authority vice-chairperson Prathamesh Kumar on Saturday directed officials to construct a pedestrian bridge between Gomti Riverfront and the office of additional deputy commissioner of police so that people can visit the area easily.

While carrying out an inspection, the LDA VC also directed the revamp of Lotus Valley and open theatre at the Riverfront and to provide basic amenities such as drinking water, seating, and toilets in the area.

"The grounds at the Riverfront will be given for functions such as weddings, the LDA VC said, adding that a kids' corner with swings would also be created. Facilities for e-bikes would also be provided to visitors, he said and directed officials to work on a project to provide
