
U.P. SEEKS INVESTMENTS IN IT, ITES, AEROSPACE, DEFENCE

LUCKNOW: The state government will hold a meeting to connect with US India Strategic Partnership Forum and US-based investors to attract investments in IT, ITES, aerospace and defence sectors in Uttar Pradesh, on August 28.

This will be the second such

online meeting with US investors this month. The first one was organised to explore prospective investment opportunities in other sectors. "This will be our second interaction with USISPF and US-based investors," said chief executive officer of Invest UP, Abhishek Prakash.
