

70 MW SOLAR POWER PLANT IN BANDA

UP CM Yogi Adityanath virtually inaugurated the 70 MW Solar Power Project in Banda. The solar plant is a milestone in realising investment proposals from the Uttar Pradesh Global Investors Summit, and will generate employment for over 400 people.

The solar plant has been established at a cost of

Rs 408 crore and been completed in a record time of 18 months. The plant has been built on 273 acres of land, of which the state government facilitated 51 acres of land. For the maintenance of the said plant, 70 people have been employed.

The plant will generate 160 million units of renewable energy, annually.
