**AMBEDKAR NAGAR:** Chief minister Yogi Adityanath inaugurated 6,778 development projects worth Rs 1,231 crores in Ambedkar Nagar and also distributed sports kits to the members of Yuvak Mangal Dal and Mahila Mangal Dal, on Sunday.

Addressing the public rally, CM Yogi Adityanath said, "Yesterday was Ganesh Chaturthi, the country celebrated the festival with joy, on this occasion, the people of Ambedkar Nagar are getting projects worth Rs 1,231 crore, what can be more special than this."

Yogi Adityanath recalled the works done by his government to improve the law and order situation in the state.

"Everyone knows how UP was

before 2017 and what used to happen here. Before 2017, Mafias used to run parallel government here in every district under the leadership of the Samajwadi Party and Congress," Adityanath said. "Voices of backward people and the poor were muzzled, poor people used to get the benefits of welfare schemes," he said.

He accused the Akhilesh government of being irresponsible and having no interest in anything other than power.

"The state government had no interest in anything other than power. After 2017, everyone knows where Mafia went one by one. UP became Mafia-free, now all festivals are celebrated peacefully," he said.

He further accused other political parties in the state of working with a policy of appeasement. "All parties have

only worked with a policy of appeasement. Earlier, they never allowed religious programs like Dussehra or Durga Puja to take place without controversy. Today, whether it is the Jal Jeevan Mission schemes or the foundation-laying ceremonies for development plans like Shiv Baba Temple or Shraavan Dham, they are moving forward," the Uttar Pradesh Chief Minister added. He further stated that the welfare schemes are being used by everyone despite their religious faith.

"In Ambedkar Nagar alone, 5.6 lakh homes have been built for the poor. The highways and roads being constructed--will only BJP people or Hindus use them? The benefits of all schemes have been provided without discrimination," he added.
