**LUCKNOW:** Union minister for road transport and highways Nitin Gadkari on Monday praised the Uttar Pradesh government's achievements in compressed biogas (CBG) production, placing the state at the forefront of the country, a government spokesperson said.

The minister expressed confidence that under Chief Minister Yogi Adityanath's leadership, Uttar Pradesh would set new records in CBG and additional energy sectors.

Gadkari inaugurated the India Bio Energy & Tech Expo-2024 at the Yashobhoomi Convention Centre in Delhi on Monday. During the event, he also visited the stall of the Uttar Pradesh New and Renewable Energy Development Agency (UPNEDA).

He commended the compressed biogas production and bio-energy initiatives showcased at the stall. Gadkari also suggested contacting Mahindra
