CPP Portal link: <https://eprocure.gov.in/eprocure/app>; (all tender details are available at CPP Portal / tusoltd.co.in)

This tender represents a significant opportunity for solar project developers, and we believe that it is crucial to maximize participation to ensure the best possible outcomes for the project.

In light of this, we kindly request Invest UP to disseminate this tender information to all potential solar project developers within your network. Your assistance in this matter will be invaluable in attracting a diverse group of participants, thereby fostering competitive and innovative proposals that will benefit the Jhansi Solar Park project and subsequently, help to achieve renewable energy targets, boost investment and employment opportunities in Uttar Pradesh.

Thanking you,

Sincerely,

(Anupam Shukla)
