

# **UP is helping make India fastest growing economy: Goyal**

**Lucknow:** Uttar Pradesh had emerged as a model of multi-faceted development under Chief Minister Yogi Adityanath's leadership, significantly contributing to India's status as the fastest-growing economy globally, said Union commerce and industry minister Piyush Goyal on Saturday.

Chief guest at valedictory ceremony of International Trade Show in Noida, Goyal said, "The success of this trade show showcases Uttar Pradesh's increasing strength." He added that influx of buyers expressing interest in the products will elevate the country's industrial development to new heights. TNN
