Lucknow: Chief Minister Yogi Adityanath on Tuesday said that as Gorakhpur MP, he felt the plight of parents of children battling with encephalitis and added that he is satisfied that the double engine govt has succeeded in curbing the killer disease.

Speaking at a programme to inaugurate projects worth over Rs 1,147 crore at the Sanjay Gandhi Postgraduate Institute of Medical Sciences (SGPGIMS), the CM said, "As Gorakhpur MP, I saw what parents go through when their children take ill. I raised the matter of encephalitis in the Lok Sabha. I am satisfied that the energy of double engine govt has curbed the problem."

The CM inaugurated an Advanced Diabetes Centre,

CM Yogi at a programme in SGPGIMS on Tuesday

Tele ICU, Saloni Heart Centre (Phase-1), and a hostel for the College of Medical Technology, besides laying the foundation stone for the Advanced Pediatric Centre, Saloni Heart Center (Phase 2), and 'raen basera' (night shelter).

Noting that UP has taken a significant leap in public health over the past seven and a half years due to synchronized efforts by the state and Union govt, Yogi said: "Under the leadership of Pri-

CM reviews devpt works in Mathura

CM Yogi Adityanath visited Mathura on Tuesday where he chaired the seventh board meeting of the UP Braj Teerth Vikas Parishad and also reviewed the law and order, and development of the area. During the meeting, the CM asked public representatives for their inputs. The CM directed officials to visit Ayodhya and Varanasi to study implementation of projects there. **P 6**

me Minister Narendra Modi, the state is making continuous progress in healthcare. Before 2017, only 18 districts had medical colleges, but now there are medical colleges in 64 districts. The state is quickly moving towards the goal of having 'One District, One Medical College'. The number of undergraduate and postgraduate medical seats in the state has also doubled."
