Around the auspicious Republic Day Of India, I would like to take this opportunity to express our gratitude and thanks to the whole team of Invest UP in helping us out wherever there was need to fulfill our MoU signed with the State Govt. Of UP.

- Many times your team was there proactively with us which encouraged us to push ourselves harder.
- They have been continuously following up with me over phone about our progress and if we are facing any problem.
- They give a patient listening to all our problems and give their best to resolve it.
- They also come out with suggestions which have helped us in attaining our goals.
