

Yogi's 'industry status' promise to IT and ITES gets cabinet nod

TIMES NEWS NETWORK

Lucknow: Days after Chief Minister Yogi Adityanath made the announcement at Semicon India 2024, the state cabinet on Tuesday formally cleared the proposal to award 'industry' status to IT and ITES (Information Technology and Information Technology Enabled Services) in UP.

With this, the develop-

ment authorities will be able to give industrial land to IT companies. IT units having a power connection of 150 kilowatts will be provided electricity at industrial rates. The move will benefit both existing and upcoming units.

Till now, the IT and ITES sector was grouped under the service sector.
